PY1 Extends Arlington Engagement

Through the Echoes and *Stella – The Time Machine Journey* now scheduled through the end of February at Globe Life Park

ARLINGTON, TX (January 22, 2020) – Due to popular demand, **PY1**, the innovative, pyramid-shaped entertainment venue by Lune Rouge Entertainment, is thrilled to announce that our February tickets are now available for purchase. Now running through end of February, audiences will have a little more time to experience PY1 during its limited engagement at Globe Life Park, before it moves on to its next location.

“The public’s response to the various experiences offered by PY1 has been overwhelmingly positive”, says Lune Rouge Entertainment’s CEO Stéphane Mongeau. “We are excited to be here until the end of February.”

PY1, located at Globe Life Park, offers various experience targeting all publics and ages, including:

Through the Echoes[™], a one-of-a-kind multimedia show that takes visitors on a technological and emotional odyssey through space and time featuring lasers, 360° projections, kinetic stage elements, special effects and grandiose lightscapes.

Stella – The Time Machine Journey[™], a new participatory show that encourages kids and families to move and dance together in the biggest time machine ever built. Using some incredible images and awe-inspiring music from our show *Through the Echoes*[™], Stella promises an unforgettable adventure for the whole family.

Tickets for February showings of *Through the Echoes* and *Stella – The Time Machine Journey* can be purchased now at PY1.com. Corporate and group tickets are also available. **PY1 Nights** is currently scheduled for Saturday, January 25th with Eye Wonder and Saturday, February 1st with POP. Stay tuned for the upcoming **PY1 Nights** updates!

ABOUT PY1:

PY1 is an innovative pyramid shaped venue imagined by Lune Rouge Entertainment. With a capacity of up to a thousand guests, the 81-foot high traveling structure is dedicated to the creation and presentation of memorable experiences. PY1 is a marvel of technology and a one-of-a-kind playground for shows and special events that offers a new kind of entertainment at the heart of a custom-produced multimedia universe thanks to the talent of some of the world's greatest storytellers.
